**Express Save Industries (ESI)** is a full service traffic management firm leveraging our competitive carrier contacts and superior customer service professionals for improved rates and performance on every shipment... ground or air.

**Shipping Convenience**

Whether it's an overnight letter or a 20 metric ton shipment, across the state or around the world, **ESI** will make all the pickup arrangements, complete all paperwork, audit all the freight bills, and consolidate carrier activity for ultimate time savings for you.

**"Inbound" Routing Services**

**ESI** will instruct your vendors or suppliers on the inbound shipping requirements essential in maximizing your third-party logistics savings. Vendor "Charge Back" programs are available as well. International Documentation **ESI** specialists will handle a full complement of International Services including: Sight/Time Drafts, Licenses, Consularization Work, Custom Clearance Procedures.

**Worldwide Tracking Systems**

Our years of creative expertise and a variety of Management Information Systems will enable you to streamline your operation and increase your profits. **ESI** will interface with your traffic personnel to provide monthly computer generated reports that capture all freight movement and monthly savings.

**ESI & Panda Postage are an Authorized Sales Partner of the USPS for Express Mail® and Priority Mail**
