***CH Benefits***

***Joe Courcy***

*Member Since May 2013 ~ Sponsored by: CH Insurance*

*Founded in 2006, CH Benefits Inc. is an independent agency that specializes in group health insurance, employee benefit programs including group dental, disability, group life, vision, accident plans and voluntary programs such as AFLAC or Colonial for your employees. We provide a high level of expertise and service through our experienced employee benefit professionals.*

*At CH Benefits we strive to help both our current and prospective clients attract and retain top talent by offering a comprehensive benefits package, while keeping costs down. We pride ourselves on our creative market options, trend analysis, and being your trusted advisors. We look at plan performance throughout the year to identify areas and opportunities to help them control costs. Our efforts center on assisting each client in maximizing their competitive position within their given industry while saving them premium dollars.*

*We offer a comprehensive review of your current programs whether one employee or 500, while comparing the marketplace for the best available coverage at the most economical cost. CH Benefits is truly in your corner!*

*The Employee Benefit products we offer include: Fully Insured Health Plans, Self - Funded Insured Health plans, Group Dental, Group Life, Vision, Wellness/CorpFit, Short/Long term Disability, and Statutory NYS Disability/PFL.*

*We are very pleased to offer the 50 under 50 program again this year. The program allows for small businesses to receive large group services at no additional cost. This includes complete Cobra Administration, CH connect an Online Enrollment platform to make all your changes, an HR Hotline that guides you with any questions during the year and much more.*

*We are looking to showcase our knowledge and experience for both new and existing business owners of any size. A good lead for CH Benefits would be: Sole prop, controllers, HR Directors, Company CEOs, and anyone who is seeking to add value though offering the right employee benefits.*
