

***Doyle Security**, family owned and operated since 1919, is steeped in a long tradition of service and protection for its clients. From our founder **John A. Doyle**, who proudly served and protected Rochesterians, to the myriad of individuals, businesses, and health industry providers we safeguard today, the Doyle name guarantees serious safety for your life. With offices in Albany, Buffalo, Rochester, and Syracuse, NY, as well as Erie, PA, we build our security solutions around the specific needs of our neighbors here. We offer the highest level of customized security solutions backed up by the most complete client support system available anywhere.*

*We provide commercial, residential and medical alarm systems, CCTV, access control and Safe & Lock services and products. In addition, we own and operate a Five Diamond certified, U.L. Listed **Doyle Emergency Response Center** in upstate New York. Our fully staffed, 24/7/365 **Doyle Emergency Response Center** always has your security covered, so you know you are never alone. One of an elite group of response centers nationwide to earn a U.L. listing, our **Doyle Emergency Response Center** employees live up to the most meticulous government certification standards for life security response. Our eyes are always open, our light's always on, so we're always there.*
