Sedgwick Business Interiors is a full service furniture dealership proudly representing Herman Miller, DIRT, and other quality manufacturers of Corporate, Educational, and Healthcare products.

We provide the highest quality products, designs, and services to create integrated, world-class office interiors. We provide affordable solutions no matter what the budget. We offer new and used products. We are a one-stop location for all your needs. We utilize our own staff to provide sales from our 4 showrooms in Syracuse, Rochester, Ithaca, and Corning. We deliver product on our own vehicles and provide installation by our own certified service staff.

Some of the key services we provide include Asset Inventory Management, Space Planning, CAD/Design Services, Project Management, and Workflow Analysis. We sell workstations, desks, chairs, files, demountable walls, raised flooring, boardrooms, cafeterias, patient rooms, nursing homes, and pharmacies.

Good leads for us are companies or individuals requiring new and used furniture, office reconfigurations, new construction, business moves, and change of ownership.

“Office furniture is more than just desks and file cabinets. It defines the culture, image, and productivity of a company.”
~ Doug Sedgwick, President, Sedgwick Business Interiors
