Express Employment Professionals in Syracuse NY has been in operation since 1997. Express Services International as a corporation has been in business since 1983 and now has over 850 offices in more than 4 countries. With over 30 years of experience and 800 locations strong across the United States, Express Services is large enough to meet even the most demanding staffing needs while focusing on our most important asset-our clients.

Express is a full-service staffing company providing temporary, temp to hire and direct hire staffing in light industrial, administrative and professional placements. **Express** is a leader in providing solutions that help our clients find the right talent.

Express has been ISO 9001:2015 registered since 1998. By attaining ISO registration, we ensure that **Express** consistently provides the highest quality service possible. We do this by analyzing the needs for each client, carefully matching **Express** associates to assignments, completing quality checks, and uncovering new opportunities. This standard of quality also drives us to continually improve locally, nationally, and internationally.

Leads Appreciated: We can work with most businesses so any company looking to expand their workforce or supplement their full-time staff with temporary workers for special projects, maternity leave, seasonal peaks, etc. Any large organizations that need a dozen or more workers are a highly sought-after lead (ex. Call Centers, JMA Wireless, Amazon). Other types of organizations we seek to work with are: concerts, festivals, fairs, banquets, etc.
