*Member Since October 1991*

**HR One Consulting** is a premier full-service human resources consulting firm. For over 36 years, our team of experienced consultants has helped thousands of organizations of all sizes and industries across the country implement proven HR best practices and comply with complex state and federal employment regulations.

*We deliver proven, professional expertise to address day-to-day and strategic aspects of HR so your leadership team can stay focused on the core business.*

*Every organization that hires employees takes on risk and requires HR knowledge and expertise to protect the organization and ensure employee rights are met. HR One Consulting offers a program to match a part-time consultant to your part-time needs.*

**Part-Time HR Director** – A Senior Human Resource Consultant can serve as the part-time HR Director responsible for all aspects of HR, including daily administration of HR responsibilities, compliance with State and Federal employment regulations, recruiting, support for onsite managers, and training.
